

Laundry Destainer

Chlorinated Laundry Bleach & Destainer

Product Number 4318

Description

A concentrated, liquid chlorine releasing bleach with effective stain removing properties. Disperses quickly in water to prevent damage to fabrics. Penetrates to remove stubborn stains. Should not be used on colored fabrics or used on delicate fabrics. For use with automatic dispensing equipment. **Do not store near or use with any acid products.**

Directions

Dispense product directly from shipping container into the wash cycle or to a separate bleach cycle immediately following the wash cycle. Ideal pH of bleach cycle should be between 10.5-11.0 and the water temperature above 140°F. Use at a rate of 2-4 ounces per 50 pound load of linen for light to medium soils and 4-6 ounces per 50 pound load for heavily soiled linen. Consult your service technician for exact usage. **Avoid using a chlorine bleach on colored fabrics.**

Technical Data

Form.....	Liquid	pH (1% solution).....	10.0-10.5
Color	Yellow, Clear	Viscosity	Light
Scent.....	Chlorine	Density	8.74 lbs/gallon.
Solubility.....	Rapid		

DOT Shipping Information: Hypochlorite Solution with more than 5% but less than 16% available chlorine, 8, UN1791, III

DANGER

HAZARDS: May be corrosive to metals. Causes severe skin burns and eye damage. May cause respiratory irritation. Toxic to aquatic life. **PRECAUTIONS:** Keep only in original container. Avoid breathing fumes, mist, vapors or spray. Wash hands thoroughly after handling. Use only outdoors or in a well-ventilated area. Avoid release to the environment. Wear protective gloves and eye protection.

RESPONSE/FIRST AID: Have product container or label with you when calling poison control center or physician. **IF SWALLOWED:** Rinse mouth. Do NOT induce vomiting. Immediately call a POISON CENTER or doctor/physician. **IF IN EYES:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Call a poison control center or physician for treatment advice. **IF ON SKIN (or hair):** Remove/take off immediately all contaminated clothing. Rinse skin with water/shower. Wash contaminated clothing before reuse. **IF INHALED:** Remove victim to fresh air and keep at rest in a position comfortable for breathing. Seek medical advice if feeling unwell.

STORAGE & DISPOSAL: Store locked up. Dispose of contents/container in accordance with all local, regional, national and international regulations.
