

Lemon Fresh

Premium Hand Dish Wash

Product Number 4247

Description

A rich mixture of emulsifiers, natural degreasers, and wetting agents designed to remove kitchen soils from dishes, glasses, pots, pans, and utensils. Removes soils and holds it in suspension for streak-free rinsing. A carefully blended product to insure mildness on hands. Concentrated to allow longer use before changing of wash water. Pleasant lemon fragrance.

Directions

Scrape excess soils from kitchenware. Prepare a sink with a solution of warm to hot water and add detergent at a rate of 1-2 ounces per 10 gallons of water. Place kitchenware into sink and wash. Rinse with clear water. Sanitize with recommended sanitizer. Place dishes aside to air dry. Heavy soils may require use of more detergent and a longer soaking time.
