

# Oxy Clean

## Non-Chlorinated Destainer

Product Number 4411

### Description

This product utilizes the latest ingredients that are less hazardous to environment without sacrificing performance. A granulated, oxygen releasing compound formulated to provide fast, safe destaining power on tableware, utensils, microwave cookware, plastic ware, vacuum containers, coffee and tea urns, and percolators. Removes the toughest coffee and tea stains. Keeps tableware looking new.

### Directions

**FOR PLASTIC, CHINA:** Fill soak tank or sink with hot water and dissolve 1-2 ounces per gallon of water. Add tableware to solution making sure all tableware is completely submerged. Allow to soak until stains loosen and disappear. Rinse thoroughly when finished.

**FOR COFFEE, TEA URNS:** Fill urn with hot water and dissolve 2-4 ounces per gallon of water. Allow to soak until stains are removed (may take as long as 2 hours). Tough deposits may require agitation with a brush. Rinse urn thoroughly when finished.

**LAUNDRY DESTAINING:** Dissolve 1-2 ounces per gallon of warm water. Add linens and allow soaking for at least 30 minutes. Drain and wash as usual.

### Technical Data

Form .....	Powder	Solubility .....	Complete
Color .....	White	pH (1% solution).....	10.0-11.0
Scent.....	None	Phosphated .....	Yes

**DOT Shipping Name:** Compound, Cleaning, Dry

#### WARNING

**HAZARDS:** Harmful if swallowed. Causes serious eye irritation.

**PRECAUTIONS:** Wash hands thoroughly after handling. Do not eat, drink or smoke when using this product. Wear protective gloves and eye protection.

**RESPONSE/FIRST AID:** Have product container or label with you when calling poison control center or physician. **IF SWALLOWED:** Rinse mouth. Do NOT induce vomiting. Immediately call a POISON CENTER or doctor/physician. **IF IN EYES:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Call a poison control center or physician for treatment advice. If eye irritation persists, get medical advice/attention. **IF ON SKIN (or hair):** Remove/take off immediately all contaminated clothing. Rinse skin with water/shower. Wash contaminated clothing before reuse. **IF INHALED:** Remove victim to fresh air and keep at rest in a position comfortable for breathing. Seek medical advice if feeling unwell.

**STORAGE & DISPOSAL:** Store in cool, dry place. Dispose of contents/container to trash after rinsing container.
